# INTRODUCTION

# ABOUT US

Onflow Construction based in Karachi, Pakistan, stands as a prominent construction company specializing in commercial and residential buildings, real estate projects, and infrastructure works. Our foundation is built on an unwavering commitment to excellence, infusing a wealth of experience and innovative practices into the construction industry. Since our inception in 2015 and corporate sector registration in 2019, we have completed various projects, including residential and commercial buildings, hospitals, high-rise structures, roads, drainage systems, RO plants, and sewerage treatment plants.

Notably, Onflow is registered with MES and has accomplished numerous projects for Military Engineering Services (MES), demonstrating our capability, and trustworthiness. As an active member of the Contractor Association of Pakistan (CAP), we consistently advocate for the construction industry's interests and address challenges. Additionally, we are proud members of the Karachi Chamber of Commerce & Industries (KCCI), facilitating smooth business operations.

Our team comprises numerous professional engineers registered with the Pakistan Engineering Council, along with experienced managers and contract engineers. This diverse expertise allows us to deliver sustainable, high-caliber spaces that enrich the communities we serve.

## CORE VALUES

Onflow Construction values Quality, Honesty, Commitment and Hard Work. We prioritize long term client relationships with a proactive focus on Quality, Timely completion, Safety and Professional attention. Our dedicated team is the key to project success and we foster an environment promoting Professional ethics, Communication, Dedication and Mutual respect.

# OUR DYNAMICS

In the realm of construction, Onflow Constructors emerges as a paragon of professionalism. Our dynamics are defined by a meticulous approach, seamlessly blending technical expertise with strategic foresight. Methodical project management, adherence to industry best practices, and a commitment to client satisfaction form the cornerstone of our operations. With a profound understanding of the local landscape in Pakistan, we navigate complexities with precision, delivering projects that stand as enduring testaments to our unwavering professionalism and dedication to excellence.

## MISSION

To adeptly meet client needs, delivering top quality projects within established timelines and budgets. We aim for recognition in innovation, collaboration, team development, client relations, supply chain ties and community contribution.

# OUR STRENGTHS

Onflow Constructors derives its strength from a dynamic fusion of skilled professionals, cutting-edge technology, and a commitment to excellence. Our adept team navigates complex construction landscapes, ensuring timely project delivery with unwavering quality. We thrive on innovation, embracing challenges to create sustainable, forward-looking solutions. At Onflow Constructors, our strength lies not only in the structures we build but in the relationships we foster and the positive impact we make on communities.

General MEP – Mechanical Electrical and Plumbing Works and  
HVAC – Heating, Ventilation and Air Conditioning Services**

IAF Code: 19, 28

The certificate is issued on the basis of the results mentioned in the pertinent audit report. Validity of the certificate is conditionally limited by positive results of surveillance audits, which the certified company is committed to undergo.

This certificate can be invalid if the certificate holder does not fulfill the conditions set out in the certification agreement.

Initial issue date: Nov. 24, 2023  
Expire date: Nov. 23, 2026
